Subject: Corinne Quarry Tentative Approval

Penny--

Lynn and I have drafted the tentative approval documents for the Corinne quarry. I've asked Vickie to finalize the tentative approval letter, and the advertisement is in:

O:\M003-BoxElder\M0030082-CorinneQuarry\draft\public-notice-3050-08032009.doc

This does not have the address for the Box Elder newspaper or for Diane Fuhriman with the County (although it does have her e mail address). Let Lynn or me know if you need help finding the additional information you need.

I should have the executive summary done shortly.

Thank you.

Subject: Corinne Executive Summary

I've now gone through the executive summary for Corinne, and it's in:

O:\M003-BoxElder\M0030082-CorinneQuarry\draft\exec-3050-08032009.doc

You'll prepare the RDCC notice based on this, right?
